

FIFTEEN TO THRIVE

THE CHURCH

1 MIN

Come Holy Spirit.

Invite the Holy Spirit into your time with God and pause to recognize His presence with you.

Today we are going to study the gift of fellowship in the scriptures together.

2 MIN

Read 1 John 1:7.

Reflect on the correlation between living in the light and fellowship with one another.

3 MIN

Read Hebrews 10:25.

Look at the correlation between meeting together and encouraging one another.

How can you encourage others when you meet with other believers?

4 MIN

Read Ephesians 2:14-20.

Write down or say out loud how God intends His sacrifice for you to translate to how you treat the church.

5 MIN

As you close your time in the Word, reflect on the baby and the bathwater analogy for church from the sermon.

What parts of the church are baby, and what parts are bathwater.

Renew your commitment today to support the church.
